

# **Bag Tags**

As mentioned in a recent newsletter and with thanks to sponsorship from Formthotics, the club are happy to announce the reintroduction of bag tags, starting in 2018

## **Our objective with bags tags are:**

- For all members and staff to easily identify members playing rights, membership year and name.
- The tags are brightly coloured, so they can be from a distance.
- Members are required to always display their bag tag.
- New stickers will be issued annually.
- The colours represent playing rights, not membership category. i.e. Multiple categories have 7-day rights, including 7-day, Life, Special, Corporate, Overseas, Country and Jnr w/rights.

## **Colour Coding Legend**

Colour	Playing Rights
Red	7-Day
Blue	6-Day
Lime Green	5-Day
Orange	9-Hole
Lilac	Other

## **Distribution arrangements:**

Due to the high number of tags we thought it would be easier to stagger distribution over the next week.

Saturday 24 March: 7-Day bags tags will be available for collection in the office.

Sunday 25 March: 7- and 6-Day bag tags will be available for collection in the office.

Next week: All other categories and remaining 6/7 Day will be available for collection.
