Congratulations

To Jason Sincok who broke the record for total Woodward Cup appearances. Murray Brown had held the remarkable record with 233 games played with his playing record from 1974 to 2012 playing for Waitikiri, Christchurch and Russley. Jason notched up his record-breaking match with a win at his 234th match against Templeton last Sunday. Jason's debut came in 1985 when he played for Avondale and he has gone on to play for Waitikiri, North Canterbury, Kaiapoi, Coringa and Christchurch. Jason's record to date includes 123 wins and 24 halves. Well done Jason on a great achievement.

To Colin Williamson on scoring his first hole in 1 at our 14th hole last Saturday. No doubt this feat was celebrated in the usual fashion with his normal Saturday morning partners.

To Kahu Simmonds who holed what we believe is one of the longest putts ever holed on our course. Playing the 17th hole Kahu's ball ended up on the far right of the 1st green with the pin on the left of 17 but he was up to the challenge and holed the putt, a distance of 52 metres or close to 170 feet. Well done Kahu.

Course

Slow Play. With limited winter daylight hours, it is important that all players play ready golf to ensure we all get to the Clubhouse in daylight. Your cooperation is appreciated by everyone.

#1 Drain

The recent good weather has resulted in a lot of earth being moved in the last week and the pond is very close to being fully excavated.

Hole 17 will soon be impacted. As we did on Hole #9, we are lowering the fairway between the drain and the green, to provide a runway effect to help balls jump across the drain. Excavation will start next Wed 15th, and the impacted area will not be back in full play for 10 weeks. Members will be able to collect their ball and move it to a drop zone. Look for diagrams and instructions in the Pro-shop.

Interclub results

The Pollock Cup team played Harewood in our 3rd round match at Weedons in mild conditions with little wind. We posted a 4-2 win the top two pairings going to the 18th and 16th.

Catherine Bell shot even par in an exciting half against Catherine Knight. Catherine, with a birdie on the second to last hole went 1 up and halved the last for the win. Mel Newburn never relinquished her lead against Anne Dick winning 2/1. Marg-Mary Coughlan had a dominant win of 7/6 over her opponent. Robyn Gillespie had a good win 5/4. June Edwards and Maria Sung Lee had a loss, with Maria losing on the 18th after a tight tussle 1 down.

It was a great team effort and the players are extremely thankful for all the work the Caddies do for them. Thank you to: Terry Cain, Jo Emson, Kate Shier, Andrew Gillespie, Hellen Kroeger, and Susan Lim.

Last Sunday saw all 3 Mens interclub teams in action with all coming away with victories.

- The Woodward cup team beat previously unbeaten Templeton on their home course 5.5 – 2.5 with wins to Mike Toeke, Jason Sincock, Josh Roche, Nick Franzmann, Tom Turner and the half to John Wilson.
- The Blank Cup team had a 6 -2 win over Coringa with wins to James Simpson, Nathan Ferguson, Charles Whitwham, Dean Tucker, Tony Park and halves to both Phil Lever and Mark Lawson.
- The Simon Cup team steadied their ship with a 5.5 – 2.5 win over McLeans Island. Wins to Peter Sim, Ian MacDonald, Murray Turnbull, Daryl Anderson, Albert Bell and a half to Warren Jones. For one of the Simon Cup members their game left a lot to be desired, the result of which you can view in the photo below. Brian, these clubs look suspiciously like Murray Turnbolls. Maybe more than one of our Simon Cup players had a bad day. Murray you can collect your clubs along with your phone at Waste management
