PHYL PAGE TROPHY

On Wednesday 17th August we had the pleasure of being joined by Mr David and Mrs Olivia Page to present the Phyl Page Trophy to this year's winner Linda Sumner. David enlightened us with some detail of his mother's golf before she joined the Christchurch Golf Club. This included membership of the Charteris Bay Golf Club

where she would arrive by ferry from Christchurch, carry her clubs to the golf course, play 18 holes in the morning (no trundler),

break for lunch and play 18 holes in the afternoon before catching the ferry home.

Mrs Page Senior played most of her golfing career around a 15 handicap. This is impressive considering the clubs of the day and the difficult conditions of some of the courses.

The Trophy was presented to the Christchurch Ladies' Club in 1978.

HOLE IN ONE

Congratulations to Nicky Webb who got her first Hole in One during the Pollock Cup competition at Clearwater Golf Club.

Nicky says "4th Hole. From the advice I received from my caddie, I pulled out my 58 wedge and hit it. It bounced twice and then went into the hole!"

MIXED NINE HOLE GROUP NEWS

There has been a smaller number of Mixed Nine Hole players playing regularly on Tuesdays and Thursdays during August. This has been due to challenging wintry conditions, Covid and overseas travel. The wet weather gear has been well used this winter.

A HUGE THANK YOU

to Lorraine Woodfield and Helen Macleod-Walker who are stepping down as Committee Members. Lorraine has been on the committee for the last 5

years. She was Vice-Captain, Weekly Women's Programme Editor, Trophy expert advisor and set up the Competition Calendar. Helen's writing skills and her expertise in running raffles have been appreciated. You both worked so hard and we will miss you.

Please support the team. You can find dates, venues and results [click here](#).

We wish the Pollock Team all the best and good luck in their defence of the Cup.

POLLOCK TEAM UPDATE

CHRISTCHURCH vs WAIMAIRI at Russley 14 August Our team ended up with a draw, there were some very tight matches. Both Catherine Bell and Mel Brew were down on the 16th but both came in with a half. Robyn Gillespie had a 3/2 win. Debuting for the Pollock Cup was Women's Club Captain Hellen Kroeger and what an outstanding win of 5/4 she had. Well done Hellen.

CHRISTCHURCH vs RUSSELLY at Waitikiri 21 August. We lost 3.5 to 2.5 in testing conditions for golfers as it was very wet underfoot. It was an arm wrestle with 3 matches going to the 18th however Russley prevailed. Catherine Bell won 3/2 and Mel Newburn won 3/2 and Olive Tapu got the half.

CHRISTCHURCH vs HAREWOOD at Clearwater 11 September. We won 4-2. We played in cool windy conditions with intermittent rain. There were some tight games with three matches going to 18th. Catherine Bell won 2 up. Olive Tapu was one down playing the 18th, she played the hole beautifully and had a tap in Par for the win which gave the team a half. Nicky Webb won 4/3. Jennifer Cho playing well also gave us a half on the 18th. June Edwards played her first match of the season and had a great win of 4/2, well done June. The story of the day was Nicky Webb who had her first hole in one. We heard the roar on the 3rd fairway. Thanks for the Peroni's Nicky.

Christchurch is now third on the table with two matches to go. We are very excited in our run up to defending the Pollock Cup which we so proudly hold.

We couldn't do it without our great team of caddies who turn up enthusiastically rain or shine. Terry, June, Hellen K, Marina, Helen R, Dawn, Jeanette.
