

WOMEN'S NEWSLETTER MARCH 2022

Hello Ladies

Now the year is underway. Our five Interclub Teams are playing well. Congratulations Teams and good luck for future games.

Christchurch has hosted two Interclub Events, each with over 80 players, and we have been able to showcase our premier Golf Course, the beautiful setting of the Clubhouse and tasty cuisine. Many positive comments have been received. Thanks to all the helpers for the smooth running of both days.

LGU

A minimum of six LGUs have to be played during a year. The majority of Christchurch women prefer to play in handicap order and the Committee has again agreed to support this request. During the LGU week I will redraw the entries. The cut off is 8pm two days before LGU day i.e. drawn Sunday 8pm for Tuesday and Wednesday games.

We have brought most LGU days into the first half of the year. As LGU is a Stroke Round this has been combined with Club Champs and Godby Bowl Qualifying, eliminating a few Stroke Rounds as requested. Also we don't want to get caught by any further lockdowns leading to rescheduling. With our borders open again some of the members will want

to travel and we will have most of the stroke rounds played before members leave the City.

CORPORATES PLAYING ON FRIDAY

Unfortunately we have lost for now all our Corporate Events and there are currently no booking restrictions for Fridays. I will keep you updated should this change.

MEET THE MIXED NINE HOLE GROUP

This wonderful Mixed Group currently has 19 Women and 4 Men. Their Handicap Indices range from 28.1 to 54 with the majority around 30-40. Club Day is Thursdays 9.30am.

This is a friendly, fun-loving group, which can also get serious when playing Interclub, LGU, Club Champs, Shootout or playing for the Putting Cup, just to name a few of the competitions. Should you be interested in joining them, you may "Try before you Buy".

Wendy Hollyer is the Convenor (ph. 027 475 1724).

WOMEN'S NATIONAL CLUB TEAMS CHAMPIONSHIPS

Representing Christchurch at the District Final on 29th of April, at the Harewood Golf Course, will be **Jan North, Jackie Henley, Fay Cooper and Catherine Bell.**

The Final is 4 ball stroke play. Congratulations to the winners and we wish them good luck at the finals.

DATES FOR YOUR DIARIES

We retire this part of the Newsletter. There are three different sources for the Women's Programme

1. CGC [Website](#),

2. Calendar in the Changing Room

3. Weekly printed Programme in the Changing Room, Pro Shop and online under "[Womens' Draws](#)".

It is time consuming to also include this in the Newsletter and it will be replaced by a monthly Golf Rule.

GOLF RULES

Be prepared! An alternative to the Physical Rule Book is the free download of the official **GOLF RULE APP** from the AppStore or GooglePlay. Search for Rules of Golf and look out for this logo.

The App lets you

1. Search the rules either by typing or a verbal request
2. Browse the rules
3. Undertake a Beginner, Intermediate or Advanced Quiz
4. Undertake a Visual Search
5. Undertake an essential Top 10 Rules' Quiz.

It is all at your fingertips, easy and fun. Test yourself. You are the only one who will know if one or two of your responses are incorrect!

AROUND THE COURSE

Since February the Board has been keeping members updated by the TV Screen on the left side as you enter the Sprigs Bar. This will be updated every week.

Good Golfin everyone,

Hellen Kiely

Women's Club Captain
